Dear Sirs,

We are pleased to report to you that as part of the service provided by Stewart & Stevenson Services, Inc. under our Total Rig Protection Program, we are utilizing numerous products produced by Cortec Corporation. After the passage of at least six months from application of the various Cortec preservatives, we have been pleased with the results to date and will continue to use these products for all the rigs we will maintain under our program.

Thank you and your associates for the part Cortec Corporation has played in making our Total Rig Protection Program Successful.

Sincerely,

STEWART & STEVENSON SERVICES, INC.
